

March 2009 Works Report

RTA WORKS

Duckmaloi Rd – East Oberon

Reconstruction and widening of Duckmaloi Road between Blenheim Avenue and Albion Street is in progress.

Reseals

Bitumen resealing in various locations along O'Connell Road and Duckmaloi Road is complete.

Abercrombie Road – Sewells Creek Road

Reconstruction and widening of a section of Abercrombie Road a short distance from Oberon is nearly complete, and will be sealed shortly. This includes improvement of the Sewells Creek Road intersection.

Abercrombie Road – Black Springs

Reconstruction and widening of a section of Abercrombie Road, near Willow Springs Road north of Black Springs, is in progress.

O'Connell Road – Carlwood Section

Land acquisition and fencing on the eastern side of O'Connell Road, between Carlwood Road and Mutton Falls Road, is complete. Tree removal has commenced. Roadworks will commence in mid April.

GENERAL FUND

Shooters Hill Road

The reconstruction and sealing of a further 1.6 km of Shooters Hill Road is complete. This completes the Council/Forests NSW/Auslink program for 2008/09.

Tasman Street Subdivision

Roadworks and installation of utilities for the residential subdivision in Tasman St/Parkes St are in progress. The auction is scheduled for early May.

Reseals

Bitumen reseals on various shire roads, regional roads and town streets are complete.

TOWN IMPROVEMENT FUND

The Common Extensions

Further drain lining works in The Common extension are in progress.
