

## **April 2009 Works Report**

### **RTA WORKS**

#### **Duckmaloi Road – East Oberon**

Reconstruction and widening of Duckmaloi Road between Blenheim Avenue and Albion Street is complete.

#### **Abercrombie Road – Sewells Creek Road**

Reconstruction and widening of a section of Abercrombie Road a short distance from Oberon is complete.

#### **Abercrombie Road – Black Springs**

Reconstruction and widening of a section of Abercrombie Road, near Willow Springs north of Black Springs, is in progress.

#### **O'Connell Road – Carlwood Section**

Clearing and earthworks to upgrade a section of O'Connell Road, between Carlwood Road and Mutton Falls Road, has commenced. The formation will be widened, but it is likely that ripping of the existing seal and adding extra pavement will be deferred until 2009/10.

### **GENERAL FUND**

#### **Tasman Street Subdivision**

Roadworks and installation of utilities for the residential subdivision in Tasman Street / Parkes Street are complete.

### **TOWN IMPROVEMENT FUND**

#### **The Common Extensions**

Further drain lining works in The Common are in progress.

### **SEWERAGE FUND**

A new section of sewer main has been constructed in Dart Street, in order to eliminate the need for an existing main which runs underneath a house.
