

1. Intent Policy

The intent of this policy is to minimise administration expenses, time inefficiencies, the risk of fraud and misuse by providing Oberon Council staff clear guidelines on corporate credit card issue and use.

2. Scope of Policy

This policy applies to all Oberon Council staff who are responsible for issuing and/or issued a corporate credit card.

3. Guidelines

Card Application and Use

Entitlement to a Corporate Credit Card shall be determined by the General Manager.

The provision of a Council Corporate Credit Card is subject to the approval of the General Manager.

Restrictions on use

The Corporate Credit Card cannot be used to obtain cash.

Purchases must only be for the use of Council or Council related businesses and not for private or personal use.

The Corporate Credit Card is not to be used for obtaining items which are available from Council's stores inventory. A lack of planning or organisation by the cardholder is not considered a reasonable explanation for not obtaining goods from stores inventory.

4. Responsibilities and Procedures

Corporate Credit Cardholders are responsible for:

- Signing the Corporate Credit Card Acknowledgement and Conditions of Use form on receiving the Corporate Credit Card.
- Ensuring the safe keeping of the Corporate Credit Card and immediately reporting to the Bank and the Corporate Services Director if the Corporate Credit Card is lost, stolen, damaged or has suspected fraudulent transactions.
- Taking the appropriate measures to ensure the Corporate Credit Card is not used by another person other than the approved cardholder.
- Exercising professional judgement with regards to Internet purchases in regards to the security of the site.
- Not using the Corporate Credit Card without having read and understood this Corporate Credit Card Policy.
- Ensuring that the Corporate Credit Card is used in accordance with Council's Procurement and Disposal, Code of Conduct, and other policies, as appropriate.
- Ensuring that expenditure is contained within available budget limits.

- Ensuring that a tax invoice, receipt, docket or similar source of document is obtained for each transaction and given to the Finance Assistant on the 15th of each month as part of the monthly reconciliation. Otherwise, complete and submit a Statutory Declaration Form when the original source document for a transaction is lost, stolen, mislaid, damaged or not received.
- Cardholders must submit their monthly statements to the General Manager each month for review and signature. In the event that the General Manager is not available, the cardholder must seek the counter signature of the Corporate Services Director.
- Corporate Credit Card expenditures must be reconciled with the appropriate Finance staff member no later than the 15th of each month.

5. Records Management

All documentation associated with the application for a Corporate Credit Card will be maintained within the Council's records management system.

Receipts for all Corporate Credit Card transactions will be retained by the Finance Department. Council or cardholders must be able to produce receipts on demand for audit purposes. Where electronic document management systems are available to record receipts and/or other evidence of business transactions, this is the preferred medium for storage.

6. Audit

An audit of cardholder purchases will occur randomly by the Corporate Services Director, and annually by Council's external auditors.

7. Termination of Corporate Credit Card

A Corporate Credit Card may be terminated for reasons such as:

- Termination of employment;
- Re-assignment to another position;
- Failure to comply with the conditions of this Policy; or
- Any other reasons as determined by the General Manager.
