## 7. COMMUNITY PRESENTATIONS AND QUESTIONS

Laurie McMahon addressed Council on behalf of the Oberon and District Museum. Laurie advised that the Museum had some correspondence regarding rates. The Museum has been operating at the Railway precinct for 27 years. In 2010 they were altered to Business Rates. They are a volunteer based organisation and 98% of the exhibits are from within the Oberon LGA. Laurie asked Council to look at the rates issue as the Museum feel that are severely disadvantaged if they are classified to pay business rates.

Laurie also advised the Museum have been told that the Skoda group will be building a museum at the southern end of the carpark. The carpark is supposed to be a joint carpark and when there is a function at the Museum it is filled to capacity. She does not believe this will allow adequate parking for the Museum and OTHR when they are operational. Laurie asked as neighbours will they be notified of any development or will it automatically go ahead.

The Mayor advised that the rates issue will be discussed in closed council and the Museum will be notified of the outcome of the discussion.
