## **08 Councillor Reports**

### **Weeds Report**

File No: E39.6

Councillor McMahon provided a verbal report regarding the last meeting of the Upper Macquarie County Council held on 4 November 2011. During previous seven weeks there were 99 properties inspected and a number of notices issued. 44 properties participated in the aerial spraying program and 4690ha of serrated tussock has been sprayed from the air.

Mayor

The Mayor asked if any of the aerial spraying had been in the Oberon LGA. Councillor McMahon advised that there had been one property on Abercrombie Road in this occasion. Councillor McMahon will follow up with the Chief Weeds Inspector in relation to the serrated tussock on the Oberon Mount.

Councillor McMahon asked where the Bidy Bush spraying program is up to. Council has allocated \$10,000 in the 2011/12 budget for this program. Councillor McMahon advised that there was a Bidy Bush problem developing along Sewell's Creek Road near "Essington Park".

The Works Manager advised that Council had engaged a contractor to carry out some of this work. There is \$7,000 remaining in this year's budget. The Weed Spraying contractor is currently working on spraying grass on the roadsides.

Councillor McMahon commented that the most effective time to spray Bidy Bush is during the growing season from now to end of December.

The Works Manager will speak to the contractor to ensure that the work will be done prior to Christmas. The Works Manager asked if there were any particular areas that should be addressed. Councillor McMahon advised that the most effective control was to concentrate on roadsides where there is sparse cover such as Sewells Creek Road.

#### **Blue Mountains Lithgow and Oberon Tourism**

File No: P73.1

Councillor Sullivan attended the last Blue Mountains Lithgow and Oberon Tourism Board Meeting, held on 28 October 2011. A verbal report will be provided in the Confidential Section of the Meeting.

### **Oberon Golf Club Recycled Water Project**

File No: PO47.107

Councillor Doney requested an update in relation to the Oberon Golf Club Recycled Water project.

The Works Manager advised that previously he had advised that the work could commence following the creation of an easement. An Environmental Assessment and a Development Application will also be required prior to commencing physical works. The General Manager advised that a meeting will be held with representatives of the Oberon Golf Club on Wednesday 16 November 2011 and Councillors will be updated following the meeting.

### **Black Springs Forestry Park**

File No: E34.8

Councillor Doney requested that staff follow up with Forests NSW regarding the rubbish in the Forestry Park at Black Springs.

### **O'Connell Avenue Works**

File No: R253.2.9

Councillor McMahon asked will the road height be raised as part of the O'Connell Avenue works program.

The Works Manager advised that the road will be raised between 200 and 250mm. This amount is not considered significant.

### **Abercrombie Road**

File No: R256.1

Councillor McCarthy asked about planning for the works on Abercrombie Road through Black Springs. Councillor McCarthy asked that drainage be addressed as part of the design for the works.

The Works Manager advised that there has not been a final design prepared yet and staff are aware that drainage is a critical aspect of the works. This will be included in the design.

Councillor Gibbons asked if the gravel for this section of works would be sourced from Beaconsfield Road.

The Works Manager advised that this has not been discussed yet but will be considered as an option.

### Traffic Warnings

File No: E31.10

Councillor Doney asked about the traffic warning signs on the Oberon Mount. Councillor Doney commented that there are “Changed Traffic Condition” signs erected on the Mount.

The Works Manager advised that these are in relation to the recent installation of the concrete median barriers and curve widening. The RTA has asked the signs to be left there at this time.

When other works are conducted appropriate signage is installed.

### Campbells River Road

File No: R45

Councillor McCarthy asked about recent heavy patching work carried out on Campbells River Road. Councillor McCarthy advised that during the recent works the sealing contractors had removed a strip of pavement with their own truck.

Councillor McCarthy asked if the contractor was adequately supervised during the works.

The Works Manager advised that the sealing contractor has a quality assurance component built into the contract. If there is a failure in the job the contractor is required to return and carry out repairs.

The General Manager advised that the matter will be investigated.

### Forests NSW

File No: E39.7

Councillor Sullivan requested the General Manager to follow up a date for the next meeting with Forests NSW.

The General Manager will advise of a suitable date for the meeting as soon as possible.

**12.03.01 General Business – Engineering**

**The Common Wishing Well**

File No: E34.9

Councillor Gibbons advised that he has held discussions regarding the Original Wishing Well at the Common at the Men's Shed. Their idea was to look at further investigating this project. When the children's playground equipment was installed at The Common Council staff found the old well and at the time the Engineer decided not to preserve the well.

The Men's Shed is in favour of digging the old well up and restoring to its previous condition.

Councillor McCarthy commented that Council had previously declined offers by volunteers to work at the Common due to insurance issues.

The General Manager advised that this issue may be addressed via Council's insurance that covers volunteers. There is concern however about how the project fits in with the overall plan for the Common development.

The Director of Development advised that he has written to the Men's Shed and Council will await a formal proposal from the Men's Shed.
