OBERON COUNCIL

Late Reports
Oberon Council Ordinary Meeting
Tuesday 17 April 2012
5.30pm Council Chambers

16.01.01 Burruga Fire Shed 2

16.01.01 Burruga Fire Shed

Executive Summary

An application needs to be made to the Land and Property Management Authority to close a crown road to allow for the expansion of the Burruga Bushfire Shed.

For Council Decision

Recommendation:

That Council make application to the Land and Property Management Authority to close and transfer the crown road located at DP758196 to allow for the construction of the new fire shed.

Background

Council has allocated funds to construct a new fire shed in Burruga and part of these funds has been allocated in the 2011/12 budget.

The proposed location of the shed encroaches on a Crown Road (see attached map highlighted in blue). Under Section 138 of the Roads Act 1993 it is an offence to carry out any works on a crown road without the consent of the roads authority.

Council must make application to close the crown road this section of land will be transferred to the adjoining crown block on which the existing fire shed is located. The closure of this section of crown road does not create landlocked parcels.
