## 05 Questions from the Public

Bob O’Bernier asked the following 3 questions:

1. Is there any truth in the rumour that the Visitor Information Centre is to be privatised?

The General Manager advised that there is no truth to this rumour.

2. Why would Council consider moving the payroll function to the HR area when the person who is currently in that role has no HR or Finance qualifications?

The General Manager stated that changes are consistent with best management practices.

3. Is staff morale low in Council?

The General Manager responded that this is not the case.

Keith Sullivan asked the following 4 questions:

1. Late last year Council provided long service awards to staff. Was the cost of this provided for in the budget?

The General Manager advised that funds are allocated each year for this purpose in line with Council’s policy. The Division of Local Government made enquiries in relation to this matter late last year and were satisfied with the Council’s actions and the General Manager’s response.

2. I understand a meeting was held recently between the Mayor’s and General Managers of Bathurst, Lithgow and Oberon regarding amalgamations. What action is Oberon Council taking in relation to this matter?

The Mayor advised that Council will be discussing this matter further in the closed session of the Council Meeting. The Local Government Independent Review Panel will be handing down their next paper in April.

3. Did the General Manager of Bathurst Council say that he had a resolution to take over Oberon?

The Mayor responded “No”.

4. The management changes outlined in the business paper do not show the costing. Councillors should understand the costs prior to making a decision.

The General Manager advised that the proposed changes would deliver a cost saving.

Eddie Gibbons asked when the road works on Abercrombie Road near Sloggetts Lane would be completed.

The Mayor advised that there had been a delay in relocating the stays on the power poles, however work has now recommenced and is due for completion in approximately three weeks.
