Oberon Shire Council
Attention General Manager
Mrs Leanne Mash

We are writing in regard to the DA 10.2011.36.1 for Beryl & Terry Gibbons which is for relocation of B & G Haulage & Earthmoving Pty Ltd to 21-25 Albion Street Oberon.

We have owned 21-25 Albion Street since 2002 and it had a progressive DA 862399 on it to use as a storage yard from that date.

Since we applied for the DA for the relocation of our business to Albion Street we have become aware that other business's that have relocated have been entitled to reimbursement of the \$6958.00 paid for Section 94. The services listed under Section 94 are existing on the block and access etc have already been done under DA 862399.

We are requesting that we would also be entitled to reimbursement of this amount for Section 94 and would ask Council to please consider this refund to us.

Thank you for your time with regard to this matter.

Regards

B. Gibbons *T. Gibbons*
