

7<sup>th</sup> December, 2011.

Ms Leanne Mash,  
General Manager,  
Oberon Council,  
Oberon Street,  
OBERON. 2787.

Dear Ms. Mash,

As you are aware Oberon Golf Club is nearing the completion of plans for joining the past scout hall to the existing golf club. We request that the Council consider either foregoing the application fees, etc. payable for this development application or alternatively, add it to the Council's contribution to our forthcoming Veolia Mulwaree Trust Grant Application which closes on February 4<sup>th</sup>, 2012.

In relation to the Council's "in kind" contribution, we feel that a good option for both sides would be the preparations and development of the car park area on the northern side of the site.

When finally completed this project will not only assist in securing the future of our Golf Club, but present a wonderful alternate function centre for all organisations and residents in our district and we thank you for your interest and assistance.

Yours faithfully,
