General Manager
Oberon Council
PO Box 84
Oberon 2787

Dear Ms Mash

Cowra Shire Council would like to express it's support for the efforts being undertaken by Oberon Council to obtain a bright and secure future for the Jenolan Caves. The Jenolan Caves are seen as an icon Australian natural attraction and as such should be maintained in public ownership now and into the future. Cowra Shire Council joins with Oberon Council in seeking a planned strategic outcome for the whole Jenolan Caves precinct that would see it's environmental, cultural and heritage values enhanced, protected and accessible to both the public of Australia and visitors to our country.

Jenolan Caves currently suffers from short term resourcing and a lack of security and future direction. Together the Councils of the NSW Central West wish to see an outcome for Jenolan Caves that allows for it's planned growth as a world class tourism attraction. To that end both tiers of government, State and Federal, should recognise the role they have to plan in reinigorating this world class natural attraction.

In closing Cowra Shire Council would encourage Oberon Council in it's efforts to achieve a desirable outcome for Jenolan Caves that will be of benefit to us all now and into the future.

Yours sincerely

Cr Bill West
Mayor
