Dear Madam

**RE: REQUEST FOR PARTIAL SEALING OF BLACK BULLOCK ROAD**

I request council to extend sealing a section of Black Bullock Road. The section is located between the intersection of Black Bullock Road and Hazelgrove Road and extends to the Slippery Creek bridge on the Black Bullock Road – a distance of approximately 250 metres.

I bring the following points to Council's attention:

- The existing road surface is "powder like" and my family home is covered in a shroud of dust after every vehicle passes.
- The flow of traffic which is a link to Lowes Mount Road has increased in recent years.
- The constant dust requires all windows and doors on the northern side of our home to be closed during the summer months.

Council's approval to my request would be appreciated.

Yours faithfully
