OBERON COUNCIL
Quarterly Review Management Plan 2011/2012
Quarterly Period ending 31/03/2012
Internal Audit Action Plan Component

No	Item	Risk Level	Resp	Target Implementation Date(s)	Status	Comments
Purchasing and Procurement						
1.2	Council may review procurement policy and mandates the separation of the purchase requisitioning and Order approving functions and provides that no officer, irrespective of position or responsibility (or financial delegation) may approve their own initiated transactions, but must seek approval from a senior supervising officer.	High	DCS	The process of review of procurement policies and procedures and resulting actions to be completed by 31 December 2011	Not commenced	Work will commence after completion of Community Strategic Plan
1.3	Council should introduce a means of ensuring that all staff concerned with procurement and contracting responsibilities are up-to-date with current policy, related legislation and regulatory guidelines.	Medium	DCS	Staff education program to be undertaken after review of procurement policies and procedures	Not commenced	Deferred until after completion of review of procurement policies and procedures (Item 1.2)
2.1	Consider a review of all financial delegations by referral to historic expenditure patterns of delegates, the distribution of expenditure levels and Councils preferences for expenditure being escalated to the next senior officer for approval. "No Limit" delegations should be subject to limits as approved by the General Manager – say, limit of \$50,000 to \$100,000 subject to budget and contract.	Medium	DCS	Revised financial delegations adopted by Council in April 2011	Completed	
2.2	General Manager's delegation should be also set at a value determined by Council and over this amount, require the counter-signature of the Mayor.	Medium	DCS	Revised financial delegations presented to Council in April 2011 for endorsement.	Completed	
3.1	Council should consider upgrading procurement procedures by abolishing manual Purchase Orders and enforcing policy compliance by considering the continued procurement role and financial delegations of officers who consistently breach Council Policy.	High	DCS	Staff are currently communicating with our service provider with a view to implementing electronic purchasing – to be implemented by 31 December 2011.	Discussions held with software provider	Deferred until 30 June 2012 after implementation of Civica Authority software upgrade to Version 6

No	Item	Risk Level	Resp	Target Implementation Date(s)	Status	Comments
3.2	Develop supervisory procedures and responsibilities to ensure that all procurement and contracting activities in Council are under centralised compliance oversight (see also 1.1 above).	High	EMT	31-Dec-11	Not commenced	Will commence June 2012
3.3	Review the case for the Rural Fire Service maintaining Council financial delegation, access to Council manual Order Books and issuing Council Purchase Orders.	Low	DCS	Revised financial delegations to be presented to Council in April 2011 for endorsement. Electronic purchasing – to be implemented by 31 Dec 11	Delgations review completed April 2011	Electronic purchasing deferred until after implementation of Civica Authority software upgrade
3.4	Reverse of the Purchase Order (the original or Supplier's Copy) should inform suppliers of Council's Conditions of Procurement.	Medium	DCS	In conjunction with electronic purchasing to be implemented by 31 December 2011.	Not yet implemented	Electronic purchasing deferred until after implementation of Civica Authority software upgrade
3.5	Face of Purchase Orders (Supplier's Copy) should draw attention to these Conditions (in 3.4), and note prominently the need to show the Purchase Order number and the name of the Council officer placing the order on the face of the Supplier's Invoice, otherwise Council will return, and not pay, the invoice.	Medium	DCS	In conjunction with electronic purchasing to be implemented by 31 December 2011.	Not yet implemented	Electronic purchasing deferred until after implementation of Civica Authority software upgrade
4.1	Consider development of concise contract administration and management "toolkit" that guides staff through the successive phases of setting up, administering and managing contracts in a consistent manner.	High	DE	The process of review of procurement policies and procedures and resulting actions to be completed by 31 December 2011	Not commenced	Will commence June 2012
4.3	Take steps to assess document and records management requirements across all areas of Council's operations, including development of data input and file indexing protocols, and the availability of automated systems providing the necessary, cost-effective features addressing requirements.	Medium	DCS	Appointment of the Information Officer is imminent and report to be presented to Council in April 2011 recommending that a replacement records management software package be purchased.	Completed	Information Officer appointed April 2011 Records management software upgrade completed in December 2011

No	Item	Risk Level	Resp	Target Implementation Date(s)	Status	Comments
5.1	Project management and progress reporting methodology should be updated to ensure that funding conditions, imposed on Council, are adhered to and in the instance of an inability to comply, the funding authority is advised promptly of the matter.	Medium	EMT	The process of review of procurement policies and procedures and resulting actions to be completed by 31 December 2011	Not commenced	Will commence June 2012
5.2	Develop a concise project management "tool-kit" for the guidance of project managers, setting out the process flows through the various phases of the project management process.	High	DE	The process of review of procurement policies and procedures and resulting actions to be completed by 31 December 2011	Not commenced	Will commence June 2012
6.1	Review current systems support arrangements in terms of the quality of support delivery and options addressing Council's mid-to-long term systems requirements across all Council service and administrative activities.	High	DCS	Staff are in the process of arranging a "module audit" which will review systems support arrangements and options addressing Council's mid-to-long term systems requirements. The audit should be completed by 30 June 2011.	Discussions held with software provider	Electronic purchasing deferred until after implementation of Civica Authority software upgrade
6.2	The existing document management system should receive early attention with view to upgrade and staffing.	Medium	DCS	Appointment of the Information Officer is imminent and report to be presented to Council in April 2011 recommending that a replacement records management software package be purchased.	Completed	Information Officer appointed April 2011 Records management software upgrade completed in December 2011
6.3	Council's Legal Documents Register should be brought up-to-date and revised to differentiate between current and expired documents and files and expanded to include additional information, relative to the nature of these records.	Medium	DCS	After appointment of the Information Officer (imminent) – Legal Documents Register to be updated by 30 June 2011.	Not commenced	Update deferred to June 2012
6.4	Consider setting up a planning group to determine Council's requirements for an EDMS and to liaise with suppliers and other councils about options, processes and potential difficulties with view to preparing recommendations on the way forward.	Medium	DCS	Appointment of the Information Officer is imminent and report to be presented to Council in April 2011 recommending that a replacement records management software package be purchased.	Completed	Information Officer appointed April 2011 Records management upgrade completed in December 2011

No	Item	Risk Level	Resp	Target Implementation Date(s)	Status	Comments
6.5	Review the position of the Records Clerk (currently vacant) and consider recruiting a competent Records Officer (Team Leader) with the responsibility of developing an efficient and effective records (and documents) management and archival facility for Council.	Medium	DCS	Appointment of the Information Officer is imminent and report to be presented to Council in April 2011 recommending that a replacement records management software package be purchased.	Completed	Information Officer appointed April 2011 Records management upgrade completed in December 2011
Development Assessment						
2.1	Consolidate existing checklists and documentation into a Development Assessment (Practice Guide) Manual for staff to reference policies and procedures in this area.	Medium	DD	Dec 11	see comment	Checklists exist, to be developed into a manual for staff reference
2.2	Prepare a Pre lodgement Application form and explanatory sheet for proponents for download from Council's web site.	Medium	DD	Complete	Completed	
2.3	Notes of all pre-lodgement meetings be placed on both the Property file and a Master Pre Lodgement file on G drive for local access.	Medium	DD	Complete	Completed	
2.4	Complete all checklists and the Fee calculation sheet on file as an 'audit trail' for approving officers to countersign the determination.	Medium	DCS	Complete	Completed	
2.5	Include a peer review or Director's check as a final internal control prior to final determination or referral to Council approval.	Medium	DD	Complete	Completed	
2.6	Review the criteria for local delegation for the determination of DAs and that for 'call up' or referral to full Council.	Medium	DD/GM	Dec 12	see comment	GM to review with DD in Q4
3.1	Checklists for construction certificates should be improved by referencing the individual sections of EPA Act and Regulations.	Medium	DD/MHB	Nov 12	see comment	Legislative requirement - checklist in place
3.3	Property files should have a complete record of checklists and staged inspection reports to support the issuing of Compliance certificates and Occupation certificates.	Medium	DCS/DD	Complete	Completed	
4.1	Separate the current <i>Development Contributions & Water Management Works Plan (Amendment) 2004</i> into two separate plans to cover Section 94 Contributions and S64 Developer Service Plans.	Medium	DD	Dec 11	see comment	In progress

No	Item	Risk Level	Resp	Target Implementation Date(s)	Status	Comments
4.2	Undertake a general review of its Contributions including the benefits of an alternate S94A Contribution Plan and the potential for Planning Agreements for certain development types.	Medium	DD	Dec 11	see comment	Scheduled for completion should Council resolve to incorporate as part of legislative requirements
4.3	Update the S94 and S64 plans to current charges that can be linked to data from the new Community Strategic Plan, Long term Financial Plan and Operational Plan.	Medium	DD	Dec 11	see comment	Scheduled for completion Nov 2012
4.4	Reconcile the current Contributions Plan Register from an annually based Register to an ongoing project based schedule with clear links between transactions.	Medium	DD/DCS	Nov 12	see comment	In progress. Officers looking into unpaid contributions register
5.1	Review Policy 3128 <i>Unauthorised Development Works and Other Activities</i> to update any references to legislative and Council system changes.	Medium	DCS/DD	Dec 11	see comment	Scheduled for completion December 2012
5.2	Ensure that cases of non compliance are resubmitted on a regular basis to properly monitor the status of illegal or non compliant building works.	Medium	DD	Complete	Completed	
5.3	In the case cited above, write to the proponent to seek formal advice as to his actions towards resolving the current unauthorised work.	Low	DD	Complete	Completed	
5.4	Council consider offering an Amnesty to allow ratepayers to report any potential illegal or non compliant building works without any infringement subject to a Development Application is submitted.	Medium	DD	To be considered in 5.1, Review of Policy 3128	see comment	see 5.1 above
