

4 November 2011

Dear all Shires Association Mayors and General Managers

Please find an appalling response from the NSW Premier in relation to representations made to him by the Associations' Presidents on 19 September 2011 concerning the conduct of the 2012 Local Government elections, and a copy of the Associations response sent today and signed jointly by both Presidents.

You will note that the Premier's letter does not address our concerns.

Your further information in relation to this matter please contact the Associations' Director Corporate Services, Peter Coulton on 9242 4030.

Yours Sincerely

Cr Ray Donald  
President
