Re: Locality Boundaries

I would like to change the postcode for the locality of Essington from 2795 to 2787 as the majority of residents in this locality have mail delivered from Oberon 2787. However to make this work effectively I am requesting the locality boundaries of Essington and Wisemans Creek to be altered.

The change of boundaries is to align the postcode, delivery areas with locality areas. Some of the affected addresses include:

1918	Beaconsfield Rd	1650	Sewell's Creek Rd
1172	Sewell's Creek Rd	1654	Sewell's Creek Rd
1378	Sewell's Creek Rd	1665	Sewell's Creek Rd
1445	Sewell's Creek Rd	24	Hopes Rd
1534	Sewell's Creek Rd	59	Hopes Rd
1595	Sewell's Creek Rd	60	Hopes Rd
1694	Sewell's Creek Rd		

We propose starting the Wisemans Creek locality boundary at the locality junction of Charlton and Dogs Rocks going in a south easterly direction, crossing Hopes road south of 61 Hopes road and running behind this property, then to run behind the properties facing Sewell's Creek Rd in a North Easterly direction up to and crossing Beaconsfield at the "five ways" continuing behind properties on Beaconsfield road to meet up with the locality of Twenty Forest.

I have attached a map showing the above proposed changes.

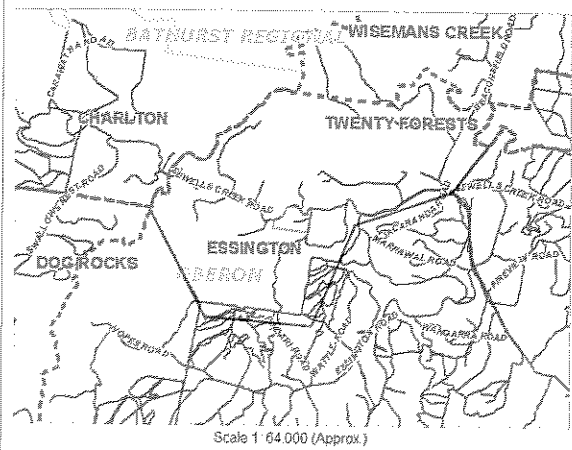

If you have any questions please feel free to contact me.
