

## Waste Management (Garbage) – Acceptance of Materials

### 1. Intent of Policy

Oberon Council is committed to the safe and environmentally responsible management of waste. The intention of this policy is to inform staff and the public about wastes that will not be accepted at Council’s Waste Management Depots.

### 2. Scope of Policy

This policy applies to all waste depots in the Oberon Council area.

### 3. Guidelines

Where possible, the generation of hazardous waste will be actively avoided. Where this is not possible, the volume of hazardous waste generated will be minimised and the waste will be handled in accordance with relevant legislation and established best practice.

Council has identified that the following specific wastes will not be accepted:

- Faulty Resin

Council delegates the Director of Engineering to refuse other wastes where he/she becomes aware that it would not be environmentally responsible to do so.
