Senior Development Control Officer

Mark Dicker

Acting Director of Development

Oberon Council

137-139 Oberon Street

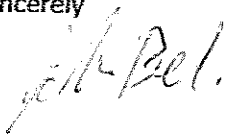

Oberon NSW 2787

Dear Mrs Burns and Mr Dicker

This is a response to the correspondence dated 04 May 2011 containing the adjoining land owners' objections.

- **Hours of Operation**
To be more accommodating we have adjusted the closing time on Sunday – Thursday to 8pm. Friday and Saturday nights will remain at 11pm
- **Anti social behaviour**
GIGGLEBYTES P/L will be maintaining a zero tolerance for alcohol and other drugs around children. Any person suspected of being under the influence will not be permitted into the shop. If they refuse the police will be called.
- **Noise Pollution**
In respect to Mr and Mrs Adams' concerns of excessive noise for their tenants, we will mainly be operating within the front sealed section of the premises and we don't foresee any disturbances to the tenant next door.

Yours Sincerely

Jose Belmonte

Director GIGGLEBYTES P/L
