

Works Report – April 2010

GENERAL FUND

Shooters Hill Road

Upgrading of approximately 5km of Shooters Hill Road is complete, except for linemarking. The bitumen seal was applied to the final 2km on 9 April 2010.

Burrough's Crossing Bridge

Guardrail on the approaches to Burrough's Crossing Bridge has been completed

Pete's Road

Roadworks in preparation for forest harvesting at Pete's Road (near Boggy Creek Road) are in progress. This work is for Forests NSW in lieu of works cancelled at The Blue Road.

RTA WORKS

O'Connell Road – Black Spots

Linemarking on the black spot projects at "Mindanao" and Faugha-Ballaugha Road has been completed.

Abercrombie Road

Earthworks and gravelling for the upgrading of a total of 3km of Abercrombie Road, in two sections near Mozart Road, are in progress.

Guide Signs

The installation of new guide signs at various intersections around Oberon is complete.

TOWN IMPROVEMENT FUND

Improvements in the Common are continuing.

WATER FUND

A program to identify and rectify leaks from the water reticulation system throughout Oberon is complete.
