

# **Works Report May 2010**

## **GENERAL FUND**

### **Pete's Road**

Roadworks in preparation for forest harvesting at Pete's Road (near Boggy Creek Road) are complete. This work was for Forests NSW in lieu of works cancelled on The Blue Road.

### **Gravel Resheeting**

Gravel resheeting has been carried out on Bald Ridge Road and Jeremy Road.

## **RTA WORKS**

### **Abercrombie Road**

Earthworks and gravelling for the upgrading of a total of 3km of Abercrombie Road, in two sections near Mozart Road, are in progress.

## **TOWN IMPROVEMENT FUND**

### **Common Embellishment**

Improvements in The Common are continuing. The top dam was emptied to remove rubbish, weeds and noxious fish, and a small viewing platform was constructed.

### **Glyndwr Avenue Drainage**

Design of a drainage system through properties on the eastern side of Glyndwr Avenue is complete. Agreement is being sought from the property owners before work can commence.
