RECEIVED

Dear Ms Mash,

I would like to know what is the thinking behind cutting back the resources of our wonderful Oberon Library.

It is used by adults and children of all ages, and a lot of these people would not be able to financially purchase books themselves and therefore an important part of their lives, education and enjoyment would no longer be available to them.

As a community surely we are able to maintain the current financial levels for our library and not have cutbacks like you are considering impede a resource that so many of us enjoy and sincerely appreciate.

Sincerely

Kay Lyme
