Oberon International Womans Day Dinner

Hosted By Mark Kellam

Wednesday 8 March
Commencing
7:00pm

#EmbraceEquity

"Innovation and
technology for gender
equality"

Held in the Oberon
Showground Hall

It is a free event for the
Oberon Community, there
will be guest speakers, a
raffle plus more!

Bookings are essential by contacting Sharon
Swannell on 02 6329 8151 or Email
Sharon.swannell@oberon.nsw.gov.au

Mayor Mark Kellam

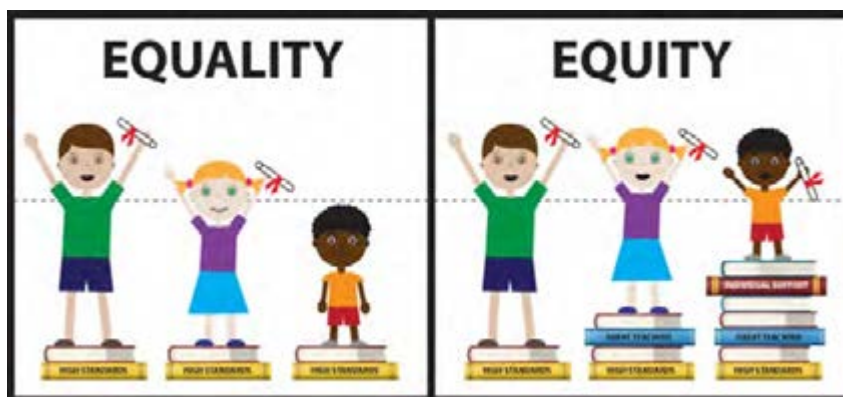

March 8 is a very special day - International Women's Day (IWD). It is a global day celebrating the social, economic, cultural, and political achievements of **women**. For some years now it has been celebrated in Oberon with a lunch or dinner hosted by the Mayor and this year there is a dinner at the Showgrounds Pavilion at 7.00pm on Wednesday 8 March. All women in our LGA are invited and supportive blokes are very welcome as well. There will be some wine and soft drinks supplied and of course the event is free of charge.

At the dinner there will be three speakers. Kathy Sajowitz our 2022 Citizen of the Year, Daria Olney our 2022 Young Citizen of the Year and Lucy East the passionate owner and operator of the Malachi. There will also be a IWD Quiz and other activities.

To make a reservation for this free event contact Sharon Swannell on 6266 8151 or email Sharon.swannell@oberon.nsw.gov.au, be sure to let Sharon know if there are special dietary requirements. Put together a table (8 people), add purple to your outfit (the traditional IWD colour) and come along for a wonderful free evening.

The theme of IWD this year is #EmbraceEquity! But why equity? Isn't it the same as equality? Certainly the two words are often used interchangeably but that is not quite right.

Equality means each individual or group of people is given the same resources or opportunities. *Equity* recognizes that each person has different circumstances, and they receive the exact resources and opportunities needed to reach an equal outcome.

This illustration is a little simplistic, but it demonstrates the concept where by allocating the needed resources achieves equity in outcome. Equity is sometimes difficult to achieve but it should always be a prime objective.

Oberon U3A

Oberon U3A Celebrates 10 Years and Thanks Committee and Volunteers

Jenn Capel

Oberon U3A is celebrating ten years and continues to grow in numbers and offer our community a wonderful range of activities. It was first established in 2013, with a group of dedicated people determined to make it a success, by the end of that year, 28 courses were being offered which is a remarkable achievement. To mark this milestone there will be a lunch at the RSL, June 24 to which all members past and present are invited.

This year, some of our committee members 3 year tenure is up, so we thank our outgoing President Jenn Capel for her tireless work and wonderful leadership. Jenn has been involved with

Oberon U3A for nine years and has contributed greatly to its success. We also acknowledge and thank Treasurer Malcolm Graham and Program Co-Ordinator Denise Harper for their contribution and efforts in ensuring the smooth running of Oberon U3A. We are also farewelling long time Committee member Julie Stott who has been a wonderful asset with IT within the organisation and has made many invaluable suggestions and finally to Les Handicott for his time, commitment and help, we wish him well on his move to Lithgow.

It is also an opportunity to give a massive thanks to our volunteers who give up their time and expertise each week to run courses. Through our volunteers, we are able to run a wide variety of activities that encompass health, physical, cerebral, practical, well-being and social, so it is a truly well rounded program that offers something for everyone. If you are interested in joining Oberon U3A, information can be found by visiting our website <https://oberon.u3anet.org.au> or email oberonu3a@gmail.com or contact Secretary Melanie Lawson 0431214687. Everyone is most welcome.

FUNDING BOOST TO HERITAGE RAILWAY

A NSW Government grant of \$172,455 is paving the way for the rebuilding of a turnaround loop, restoration of Hazelgrove Station and construction of picnic grounds at Hazelgrove. Oberon-Tarana Heritage Railway (OTHR) has been working to restore steam engines and reconstruct rail trucks to run heritage railway trips for the public. The recently completed the restoration of the 85 metre long platform at the station as well as

other improvements is a vital part of the vision to attract visitors to town. I know this funding will be put to good use and I am excited to see this historic railway up and running once again. The station forms part of Oberon's history and locals and visitors alike are benefitting from this project. Upgrading and restoring the platform at the station has been a critical part of this project. The platform restoration is part of the infrastructure that includes a working museum display which explores the five decades the railway operated as part of the lifeblood of the Oberon economy. OTHR was previously granted \$133,000 to complete platform restorations.

CONSERVATION OF OBERON MUSEUM

I recently met with Oberon District Museum Society to deliver the good news of a \$108,437 grant secured from the NSW Government's Stronger Country Communities fund. The grant will fund conservation and restoration of heritage infrastructure at the

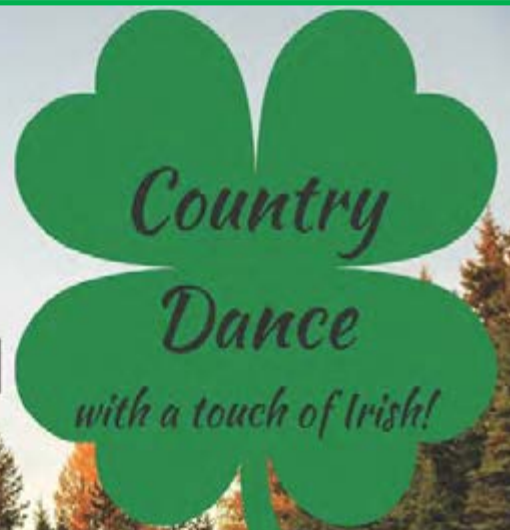

Oberon Museum including the installation of a heritage style entrance, restorations to the slab hut and other maintenance tasks. Oberon Museum is a step back in time of how life has evolved in the Oberon region. Restoring the heritage infrastructure will ensure generations to come will enjoy the same experience as us. Our heritage is important and I am pleased to have secured this funding for Oberon District Museum Society.

The Neighbourhood Centre

Celebrating Cultural Diversity

Did you know that there are 25 different languages spoken in the Oberon area, and 55 different ancestries? While most residents are of Australian, English, Scottish or Irish heritage, we have an amazing mix of other backgrounds including people of Indian, Greek, Māori, Croation and Chinese heritage as well as our First Nations people.

March 21 is Harmony Day, and this year the theme is 'Everyone belongs'. At the Neighbourhood Centre we embrace this philosophy, and we are here to support and connect with everyone in our community. To celebrate Harmony Day we are inviting residents to submit photos, drawings or other images showcasing your cultural background to the Centre so that we can create a 'Window of the World'. We are open on Wednesday, Thursday and Friday each week from 9am – 1pm. Drop by with your pictures and we will post them proudly in our window!

Are you SunSmart?

Unprotected skin can be damaged most months of the year in NSW.

Protect your skin in five ways when UV is 3 and above:

Slip on clothes that cover your arms and legs

Slop on SPF 30 or higher, broad spectrum, water resistant sunscreen and reapply every two hours

Slap on a broad brimmed hat or one that covers the head, face, neck and ears

Seek shade, particularly over the middle part of the day when UV is highest

Slide on close fitting sunglasses

Cancer Council

Health

Western NSW
Local Health District

Can you spot a melanoma?

Melanoma is a type of skin cancer. It develops in the skin cells called melanocytes and usually occurs on parts of the body that have been overexposed to the sun.

Rarely, melanomas can also start inside the eye or in a part of the skin or body that has never been exposed to the sun, such as mucous membranes (e.g. sinuses, digestive tract, genitals), the soles of the feet or palms of the hands, and under the nails.

Australia and New Zealand have the highest rates of melanoma in the world. Every year, about 16,000 people are diagnosed with melanoma in Australia.

Melanoma is the second most common cancer in men and the third most common cancer in women (excluding non-melanoma skin cancers).

Have an annual skin check with your GP or call Cancer Council on 13 11 20 for more information.
