

Temporary Road Closure – Carrington Ave
Between North St and O’Connell Rd
12 to 22 November 2018
Monday to Friday 7.00am – 5.00pm

Oberon Council, in conjunction with the RMS, is undertaking roadworks to improve road surface conditions as well as undertake some water main maintenance works on Carrington Ave between North St and O’Connell Rd.

Hours of work will be 7.00am to 5.00pm Monday to Friday, during these times this section of Carrington Ave will be closed except to local residents within the road work zone.

Detours via Scotia Ave and Balfour St will be in place during these times.

Carrington Ave will be open to traffic during weekends subject to reduced speed limits.

Roadworks will commence Monday 12 November 2018. It is anticipated that the roadworks will be completed by 22 November 2018, subject to weather.

Council staff will make every effort to minimise inconvenience to motorists and local residents within the road work zone.

Should you require further information please contact Council’s Technical Services Department on 6329 8100.

Gary Wallace, General Manager 7 November 2018
